THE OFFICIAL COUNTY JOURNAL.

THE OFFICIAL CITY JOURNAL.

ABOUT TOWN.

District court will meet in Hidalgo next week.

A colored soldier left on the stage this morning.

A cold rain came up with an east wind before noon today.

An assortment of tin-ware, cooking utensils, etc., received at L. Bonis.

The Laredo Times of last Monday says: Mrs. F. W. Truitt passed through yesterday from Mexico City en route to San Antonio.

The Rio Grande freight depot is still all bustle and stir, handling the steamer freight. The Brownsville & Gulf Mail is also busily engaged transferring freight for Matamoros merchants.

All voting boxes have been received by the county clerk, except the La Parra box, which will probably arrive tonight, and that of the 1st ward in the city, which has not yet been handed in.

The county commissioners will meet next Monday to canvass the vote of Cameron county. As soon as completed, THE HERALD will publish a tabulated statement of the official returns.

Sheriff E. C. Porto left today for Hidalgo with John More (colored) who will be tried there on the 17th for assault to murder his wife, change of venue from this county having been granted by Judge Welch, on account of failure to secure a jury here.

A telegram declaring that Crouch was elected to congress was received here by some republicans yesterday, and caused great rejoicing on the part of those republicans who believe it, though many were inclined to consider it a joke on the part of Judge Luby, who was the author. The special to THE HERALD from Chairman Wells shows that the latter were correct, as Kleberg is undoubtedly the winner by a bigger majority than ever.

The Red club celebrated the national republican victory last night in great style. A parade formed at the club room on Levee street and marched, with a band of music, numerous torch lights, banners, etc., to the custom house, in front of which the celebration was held. The entrance to the custom house was gallantly adorned with flags and bunting, and Japanese lanterns the street in front being brilliant with the illumination. A large flag hung over the entrance, bearing life-size likenesses of McKinley and Roosevelt. There was music and speech-making, accompanied by a brilliant fireworks display, lasting for some time. The street was thronged with enthusiastic republicans. Seats were placed along both sides of the street for spectators.

TEXAS DEMOCRATS' VICTORY.

KLEBERG'S MAJORITY IS LARGER THAN BEFORE.

Galveston District Gloriously Redeemed — Net Democratic Gains in the State — Crouch Carried Only Eight Counties.

Special to THE DAILY HERALD.

San Antonio, Texas, Nov. 9.—From accurate returns already received, Kleberg's net majority in the eleventh district is over four thousand, and will in all probability reach five thousand.

Slayden's majority in this district over Drake, republican, is over six thousand. The democrats have also gloriously redeemed Hawley's district, Burgess' majority over Jones, republican, being not less than three thousand. Burgess carries every county in the district, but one.

Out of twenty-eight counties in Kleberg's district, Crouch carries possibly eight and probably only six.

Net democratic gains as compared with the last election, in the Tenth, Eleventh and Twelfth congressional districts are not less than from eight to ten thousand. This is in a measure due to so many reprehensible republican leaders and their methods—their dependence almost entirely upon corruption funds to purchase voters, and use of fraudulent tickets to deceive and mislead voters. Many intelligent republicans were so disgusted that they refused to vote for republican candidates, and not a few voted for the democratic candidates.

Every Texas democrat has just reason to be prouder than ever of our noble state and her steadfast adherence to liberty, principle and right in the great campaign just closed. JAMES B. WELLS, Chairman State Democratic Executive Committee.

Turkeys are beginning to look anxious.

It is astonishing how many opossums are found prowling about at night in Brownsville. Eggs left in nests overnight are sure to be eaten by them, and chickens that roost too low are also in danger. The opossums are quite bold and even enter dwellings, if an opening is left, and go foraging in kitchens and pantries.

Those wishing to order clothing, suits, underwear, etc., should see J. W. Crate, agent for Hamilton Brothers, the leading clothiers of Houston, who is here at present with a large line of samples. Mr. Crate has been selling to the Brownsville trade for several years, always giving satisfaction. He has the best line of samples ever brought to Brownsville, and will be here about ten days. Call on him at the Ashland.

FOR SALE:—One large second hand fire proof safe, in first class condition. Will be sold cheap. Can be seen at Mrs. Geo. Kratze's store on Elizabeth street.

STOLEN FROM THE VATICAN.

Missing Deeds Found at Genoa, Milan and Florence.

Rome, Nov. 8.—Searches made at Genoa, Milan and Florence have resulted in the discovery of title deeds stolen from the Vatican valued at 220,000 francs.

A man and a woman were arrested at Genoa and a search of their home disclosed a quantity of American title deeds.

Others were seized at the residences of two merchants. They all claim they purchased the deeds in good faith. One of the persons arrested at Genoa is a prominent man of the Clerical party.

Mad Dog!

You run for your lives when you hear this cry, and still you know that all those in the world who yearly die from hydrophobia are of insignificant number compared with those who die from some form of female disease. Pasteur has made the mad dog's bite comparatively harmless.

G. F. P. Gerstle's Female Panacea

HAS MADE IT POSSIBLE FOR ANY WOMAN TO CURE HERSELF AT HOME of any disease or weakness, without any examination or the services of a physician. Here is one example; countless similar ones could be quoted:

WONDERFULLY BENEFITED HER.

I have used your G. F. P. (Gerstle's Female Panacea) and am now satisfied that it has wonderfully benefited me. I wanted to test it thoroughly before writing, so as to find out exactly what it would do, and am convinced that it is all you recommend. I also know several others who have tried it and they are willing to give it unlimited praise for the good it has done them. I feel that I cannot say too much in regard to its merits.
